AMENDMENT

IN THE SPECIFICATION

Please add a paragraph after the second paragraph of the detailed description of the invention as the following. The added paragraph is based on the depiction in Fig. 2 about the mask 123 of the present invention. Thereby it is assured that no new matter is added.

The mask 123 is formed by a plurality of concentric round rings and two L shape strips which are fixed to the cover by four screws. The base 11 has an approximate U shape and the cover 12 has also an approximate U shape; after assembly the cover 12 cover on the base 11 by using screws.
